Treasury Department,

Office of the Treasurer,

Washington, D. C., August 30, 1895.

Hon. H. Kretz,

Superintendent Mint U.S.,

Philadelphia, Pa.

Sir:

I am in receipt, by reference from the Director of the Mint, of your letter of the 29th instant, in reference to the count of the silver coin sent you by the Assistant Treasurer U.S., New York, for storage. In reply I have to request that the count of the coin be proceeded with as rapidly as possible, as the transfers will be suspended until the coin now in your hands has been counted, and the result reported by you to the Assistant Treasurer U.S. New York. I have further to request that great care be taken in the count and handling of the coin to see that no pieces are lost on the floor or left in the bags, and that all bags, and the tags attached thereto, in which any discrepancy may be discovered be preserved and returned to the Assistant Treasurer U.S., New York, on completion of the count of coin referred to. The information contained in your letter has been communicated to the Assistant Treasurer.

Respectfully yours,

J. W. Meline
Asst. Treasurer U.S.
